Configurable Code of Conduct training that speaks to your team.

Our modern training prepares your teams for the challenges they're facing today, not 20 years ago. With up-to-date content that covers legal regulations automatically, you can provide your team with training they'll actually enjoy.

Create a real workplace vibe and culture

If a Code of Conduct is written but no one is around to read it, does it actually make a difference? This configurable Code of Conduct course covers a wide variety of topics, suitable for any company, to help your employees gain an understanding of what's in your Code of Conduct and how they can uphold it to maintain an ethical workplace.

- Link your specific policies into each microlesson for easy learner access during training. Don't have a specific policy? Link to your Code of Conduct instead to keep it top of mind.

- Learners will understand how a Code of Conduct can serve as a roadmap to creating and maintaining an ethical workplace.

- Interested in configuring the topics in Code of Conduct? Talk to us about your configurability options, from choosing a custom set of topics to adding personalized messages from leadership.
